CSQ provides funding to reduce the financial obstacle to training, making upskilling an affordable option for many more individuals in the construction industry.

CSQ generally contributes around 75% (up to 100%) of training costs!

SWEET! HOW CAN I GET CSQ FUNDING!?

You must be:

- Australian or New Zealand Citizen**
- Australian Permanent Resident**
- A Visa holder with relevant permission to work (currently employed in the building and construction industry for no less than 6 months)**

And you must permanently work (or have worked in the last 6 months) in Queensland in the Building & Construction Industry.
